

# EC Middle School: Quick Facts for Students and Parents

## Cell Phones are not to be seen or heard at school without permission.

- 1st offense = phone returned at end of day, parent notified
- 2nd offense = 60 minute detention, phone returned to parent within one week (7 days)
- 3rd offense = suspension, phone held indefinitely, meeting with parent and student

## Detentions are assigned when appropriate.

- student violations of board policy/student handbook
- times range from 15 minutes to 60 minutes
- student/staff will notify parents
- students have 5 school days to serve - then they double
- may be served in Sabula or Miles, before or after school (but not on Fridays after school)

## Bullying behaviors will not be tolerated.

- students (and parents) need to report incidents immediately to school staff (including bus drivers)
- responsible students report inappropriate behavior towards others

## Don't get flagged for dressing inappropriately.

Students are not allowed to dress in ways that distract others at school. If students are paying more attention to what someone is (or is not) wearing - learning suffers. Some clothing guidelines:

- shoulders need to be covered - 3 fingers wide, no straps visible
- short/skirt length should reach fingers of downward extended arms
- no under garments visible
- no inappropriate slogans, products, pictures, advertising, etc.
- no hats inside the buildings
- more modesty, less skin please

## Homework needs to be turned in on time.

- students with late, incomplete, or unacceptable work are assigned to BASICS during school and may need to stay after school to get caught up
